**APPLICATION INFORMATION**  
**For Applicants from North and South America**

*Early submission is advised for all applicants*

**Enrollment and course fees**

The cost of the 8-day course is \$4,060. This includes single room accommodation, most meals, tuition, admissions and travel by private coach. Airfares are not included.

**Scholarships** – Some full and partial scholarships are available for qualified candidates. If considering a scholarship, applicants should decide how much they can contribute to the cost through their institution/company and/or their own resources. A statement of financial need is required.

Application forms are available from the website [www.attinghamtrust.org](http://www.attinghamtrust.org) or [www.americanfriendsofatingham.org](http://www.americanfriendsofatingham.org) and can be downloaded. Alternatively, they are available from Mayuri Amuluru, Administrator, A.F.A., 144 East 39th Street, New York, NY 10016-0914. A letter of reference is required UNLESS you have attended an Attingham Trust course in the last 5 years. An administrative fee of \$35 should accompany the application form.

**Closing date for applications is 22nd January 2010**

All applicants will be notified by the end of February 2010. If awarded a place, an invoice will be sent and a deposit of \$500 should be made immediately. The balance of fees is due, without further notice, by March 31st. These payments should be made to The American Friends of Attingham and sent to the address listed above.

Participants are strongly advised to insure against cancellation, as no refunds will be made following payment, unless the place can be filled by another suitable candidate. In the event of cancellation, an administrative fee of \$250 will be applied.

*The Attingham Trust reserves the right to make changes to the advertised programme. It should be noted that (a) this course is intensive and physically strenuous and (b) specialist diets, apart from vegetarian, cannot always be accommodated.*

*The Council of the Attingham Trust reserves the right to adjust fees if there is a substantial change in the exchange rate, as these were assessed on the basis of assumptions made in September 2009. If necessary, candidates will be informed by April 1st, 2010.*
